Awards for WolbPack Members

Over 80 awards including research and community awards: for example

- Runner up Graduate Student Association (GSA) Future Innovator award (demonstrated excellence in research while showing a potential to make significant impacts in the field in the future,...original work for a newly emerging field.)
- Governor General's Gold Medal for best Master thesis from the University of Calgary (started with me as an undergraduate)
- Community activity related award)
- Best poster presentations
- Travel awards
- More see at <https://wolbring.wordpress.com/academic-life-of-my-students-the-wolbpack/>

The WolbPack since 2008

All students start with the WolbPack as bachelor students

Many join right in year one of their undergraduate bachelor degree

So far around 515 conference presentations (oral face to face, oral virtual, podcast, posters)

61 papers as first authors; more as co-authors
